ADMISSION
We look forward to receiving your application to Bryant University. As we strive to learn as much as possible about each candidate in the application process and because each applicant is unique, we ask that you complete this application thoughtfully and carefully. Here are a few notes to assist you.

Bryant’s transfer application consists of the following:
Part 1 Personal Information and Family History
Part 2 Personal Statements
Part 3 Mid-semester Progress Report (optional)

If you choose to complete the Common Application and Bryant Supplement (www.commonapp.org), do not send in any part of the Bryant Application unless you wish to submit Part 3.

Transcripts
Please request that official transcripts from all colleges and universities you have attended be sent to the Bryant University Office of Undergraduate Admission. Additionally, it is your responsibility to request that your official final high school transcript be sent to us as well.

Mid-semester Progress Report
Use the enclosed form to report your grades for courses in which you are now enrolled. This form is optional unless we request the mid-semester grade report after your application is reviewed.

Standardized Tests
SAT or ACT scores are not required for students with 30 credits or more completed at time the application is submitted. Bryant University’s Standardized Test Optional Policy applies to transfer students who have fewer than 30 credits. For more information about Bryant’s Standardized Test Optional policy, visit admission.bryant.edu.

TOEFL scores are required for international students. Exceptions may be made for international students studying in the U.S. who have completed one year of college level English courses.

Deadlines
Transfer students may apply for admission for the fall and spring terms. The application deadline for spring admission is November 15 and the deadline for fall admission is May 1. Candidates are expected to have obtained sufficient academic preparation for the Bryant curriculum through a combination of accredited secondary school and college coursework. As soon as our office receives your official transcripts, application, and the application fee of $50 drawn on a U.S. bank, we begin reviewing your file. If an offer of admission is extended, the acceptance letter will include a formal credit evaluation indicating which classes have transferred, along with a curriculum summary identifying the courses required for a bachelor’s degree at Bryant.

ACADEMIC PROGRAMS
As you complete this application, please indicate your preference for program of study, if you have one, or check the “undeclared” box if you are not certain which program you will pursue.

INTERNATIONAL STUDENTS
Certification of finances is required for all non-U.S. citizens and non-permanent residents. The form can be found online at http://admission.bryant.edu/international. For more information, contact the Senior Associate Director for International Admission, John Eriksen, at (401) 232-6107 or jeriksen@bryant.edu. Please provide your name, phone number, and email address.

NONDISCRIMINATION POLICY
Bryant University admits students of any race, gender, sexual orientation, religion, color, national, and ethnic origin to all the rights, privileges, programs, and activities generally afforded or made available to students at the school. It does not discriminate unlawfully on the basis of race, gender, sexual orientation, religion, color, national and ethnic origin in administration of its educational policies, admission policies, scholarships and loan programs, and athletic and other school-administered programs. In addition, Bryant University does not discriminate unlawfully against the disabled and is in full compliance with the Rehabilitation Act of 1973, as amended. Inquiries/complaints with regard to discrimination on the basis of race, gender, sexual orientation, religion, color, national, or ethnic origin should be directed to the Vice President for Student Affairs, Bryant University, Smithfield, R.I., 02917-1284, telephone (401) 232-6046. Persons may also contact Director, U.S. Department of Education, Office of Civil Rights, Region One, Boston, MA 02109, regarding the University’s compliance with regulations.
INFORMATION FOR FINANCIAL AID APPLICANTS

All prospective Bryant students who are U.S. citizens are strongly encouraged to apply for financial aid. International students (non-U.S. citizens or nonpermanent residents) are not eligible for financial aid.

When you apply for financial aid, the University is able to determine your eligibility for virtually all grants, work-study, and government student-loan programs in any given year. There are many scholarship and loan programs that are available beyond Bryant’s resources, and those should be investigated by the student with the help of a guidance/college counselor. An investment in a Bryant University education pays a lifetime of substantial dividends to you as a graduate.

How to Apply for Financial Aid

Complete a Free Application for Federal Student Aid (FAFSA). This can be accomplished most efficiently online at the U.S. Department of Education website, www.fafsa.ed.gov.

The FAFSA should be submitted between January 1 and April 1. You should include Bryant University as a school designated to receive your information. Bryant’s federal school code is 003402.

It should be noted that additional documents and/or information might be required by the University to process or finalize your financial aid offer. About one-third of the students who apply for financial aid are required to submit signed copies of prior-year tax forms to the Office of Financial Aid in order to verify information reported on the FAFSA. Such requests are generally made at the point when a tentative financial aid package has been offered.

Academic Scholarships

All new students who apply for admission are considered for academic scholarships ranging from $9,000 to $20,000. Academic achievement, demonstrated leadership, and potential for making a lasting contribution to the Bryant community are all considered during the scholarship review process. These competitive scholarships are renewable for up to four consecutive years of full-time enrollment at Bryant, provided that the recipient maintains the specified academic standing set forth in the award letter. It is not necessary to complete the FAFSA or additional forms to be considered for these scholarships.
