HONORARY DEGREE RECIPIENT

Gary E. Furtado '78, '85 MBA

HONORARY DOCTOR OF BUSINESS ADMINISTRATION

Gary E. Furtado '78, '85 MBA, is President and Chief Executive Officer of Navigant Credit Union, which he joined 37 years ago.

Launched in 1915 in the basement of Notre Dame Parish in Central Falls, RI, the “loan society” incorporated and became the state’s first credit union. With a mission of improving the financial well-being of the families, businesses, and communities it served, the credit union recorded assets of \$22,000 that year. It changed its name to Credit Union Central Falls in the early 1920s and, some 80 years later, to Navigant Credit Union to reflect its ability to serve a larger membership beyond the Blackstone Valley.

Furtado became President and Chief Executive Officer in 1978. Under his leadership, Navigant has continued to grow but never lost its community-driven values. Today, it is among the largest credit unions in Rhode Island and one of the strongest in the country, with assets of \$1.8 billion.

Professionally and personally, Furtado remains dedicated to fulfilling Navigant’s promise to make a difference in the communities it serves. A member of the executive committee of the Memorial Hospital of Rhode Island board of trustees, he has held various leadership roles while a trustee, including chair of

the board and of the finance and audit committees. He is vice chairman of the board of trustees of Care New England, a board member of the Credit Union National Association, and past chair of the Cooperative Credit Unions of Rhode Island. He serves on the board of directors of the Blackstone River Valley National Heritage Corridor, executive committee of the Pawtucket Boys & Girls Club, Narragansett Council of the Boy Scouts of America, and the Pawtucket Rotary Club. He chairs the board of the Little Sisters of the Poor and is a trustee of the Providence Performing Arts Center.

In recognition of his tireless community and civic activities, Furtado received a 2017 Lumen Gentium Award for Community Service and Charitable Outreach from the Roman Catholic Diocese of Providence. In 2015, the Northern Rhode Island Chamber of Commerce presented him with the Ben Mondor Award for his outstanding philanthropic accomplishments.

Furtado holds a B.S. in Accounting and an M.B.A. in Management from Bryant University. His spouse, Bethany, is a member of Bryant’s Class of 1978, and their daughter, Bethany Furtado Chuey, earned a Bryant M.B.A. in 2009. The Furtados, lifelong residents of Warren, RI, also have a son, Jeffrey Furtado, and two grandchildren, Caroline Leah Chuey and Emily Mary Chuey.

THE HARRIET E. JACOBS MEMORIAL MACE

The University Mace is carried at Commencement exercises and at other University celebrations. Crowned in gold, the mace has two dominant emblems: the seal of the State of Rhode Island and the seal of Bryant University.

THE PRESIDENT'S CHAIR

The President's Chair, a gift to the University from Priscilla Angelo and her husband, John Eng-Wong, is used on ceremonial occasions. It is a Victorian-style gent's chair rendered in walnut and copied from an original French design from the period of the University's founding in 1863. The carved crest top includes the Bryant University bronze seal.

BRYANT MEDALLION

The Bryant Medallion is worn by the president during academic ceremonies such as Commencement, Convocation, and the bestowing of honorary degrees. One side of the medallion bears a likeness of the University seal, the other, the names of all Bryant University presidents. The formal installation of a president is marked by the presentation of the medallion to the president by the chair of the Board of Trustees.

THE BRYANT SEAL

The Bryant Seal represents the educational mission of the University and its worldwide implications. The central symbol is an ellipsoid globe with quills on each side to signify the traditional emblem of communication in business. In the center, behind the globe, is a torch symbolizing liberty, the spirit of free inquiry, academic freedom, and learning. The Archway, forming the background for the globe, torch, and quills, is a University landmark affectionately remembered by thousands of alumni. The Latin motto expresses the purpose of the University: "Cognitio. Virtus. Successus." – Knowledge. Character. Success.

ACADEMIC HERALDRY

The history of academic dress worn today dates back to the universities of the Middle Ages. A statute in 1321 required the wearing of gowns by all scholars and clerics. Probably, the warm gown and hood were practical in the unheated buildings.

Students at most American universities wore caps and gowns daily while in residence until after the Civil War. These varied in design until they were standardized by the American Intercollegiate Commission in 1895. While the academic costume code has been modified over the years, the general characteristics of the initial requirements still prevail. The uniform system of academic heraldry serves to indicate the level of degree, the field of study in which it was earned, and the institution by which it was granted.

The gown for the bachelor's degree has pointed sleeves and is designed to be worn closed. The gown for the master's degree has an oblong sleeve and can be worn open or closed. The gown for the doctoral degree has bell-shaped sleeves with black velvet facing down the front and three bars of the same across the sleeves. However, these facings and crossbars may be in the color distinctive of the subject to which the degree pertains.

The academic hoods are lined with the color of the university granting the degree. The length of the hood varies slightly for bachelor's, master's, and doctoral degrees. It is often traditional for the candidates for degrees to wear the mortarboard tassel on the right front side before the degree is conferred and to shift it to the left when the degree is awarded.

At Bryant University, the president, trustees, and honorary degree recipients wear specially-designed gold robes trimmed with black, representative of the University's colors.
