Looking at colleges

It's time to evaluate colleges so you can make an informed decision about the right school for you. At Bryant, we believe that a campus visit is the best way to make that decision. In fact, many people who come to campus are so impressed with the University and its students, faculty, and staff that they decide to attend.

Fly in to Bryant

Sometimes, a college that interests you seems too far away for a visit. If you are a high school senior or a student thinking about transferring and you want to fly to Rhode Island to visit Bryant, we will reimburse you for half the cost of your plane ticket (up to \$150). If you enroll as a full-time student at Bryant, you'll receive the remainder of your airfare up to a total of \$300.

Call us at (800) 622-7001 or (401) 232-6100 so we can make the appropriate arrangements for your visit.
