

Please join us for Mass in the Interfaith Center!

Sunday
Mass is
every
week at
7 p.m.
in the
main
chapel.

“Sunday night Mass is the best way to begin the week. It gives me time to reflect on the previous week and helps me clear my mind of any troubles. Mass also helps keep God at the Center of my life, which sometimes can be difficult. I enjoy seeing different members of the Bryant community come out to express their faith, which is important to us as individuals.”

What students are saying....

“Strengthening your faith with your friends through attending Mass or retreats makes such a positive impact on your college experience. I love all the people I got the chance to know and build friendships with.”
Kate Rosales '11

“The Catholic Community at Bryant is a great way to meet other students at Bryant who share Catholic values and morals. It's a great way to get involved with people who will easily become your support network here on campus.”
Meg Richard '13

“The Catholic community at Bryant has given me an opportunity to meet some friends in the Faith that I never would have met otherwise. It has given me a chance to serve the Church and show my faith through that service.”
Patrick Decker '13

“Being a part of the Catholic community has helped create a strong connection to my life back home. Celebrating my faith allows me to remain focused on what is most important to me despite the chaos that comes with college.”
Joelle Sopariwala '12
