Founder, Kiera Doyle was born and raised in Rhode Island with an inclination for exploring. She set out in Boston with a creative writing degree. Kiera amplified her PR experience representing awarding-winning clients such as *The Loft Salon by Michael Albor* and working with Alyssa Giacobbe, former editor of *Elle*, *Harper's Bazaar* and *Teen Vogue*. Kiera learned the inner workings of print, web and radio while working at Phoenix Media Communications. It was with daring grace that Kiera started Little Dove PR. She is happiest when spreading honest words and connecting worlds.

She trusts in yoga, New York City and her resilient spirit.
