MOST POPULAR QUESTIONS ASKED BY STUDENTS SEEKING INTERNSHIPS

► **WHERE DID STUDENTS INTERN LAST SUMMER?** A few examples:

Amgen, Inc. (RI), Arnold Worldwide (Boston), Illumnia (CA), Banana Republic (NJ), Barclay Wealth Management (London), Boston Bruins Foundation (MA), Citigroup (NY), CB Ellis New England (NH), Conde Nast (NY), CVS Caremark (RI), Fidelity Investments (RI), Montgomery Public Defenders Office (DC), Raytheon (MA), State Street Bank (MA), Tommy Hilfiger (NY), Tradewide Securities (FL), Web Ventures (China), WEEI Sports Radio (MA).

► **HOW CAN I FIND AN OPPORTUNITY THAT MEETS MY INTEREST AND NEEDS?**

Indeed.com, Careerbuilder, Quintessential Careers, Onewire, Get that Gig, GoingGlobal, Career Search, Alumni Career Link, The Bryant Career Connection (BCC), InternshipsUSA, Healthmanagementcareers.com, Idealist.org.

► **WHAT IS THE #1 WAY TO FIND AN INTERNSHIP OR SUMMER JOB?** Networking!

Bryant Alumni Career Link, LinkedIn, faculty, past members of clubs and sports teams, classmates' families, Your Personal Network: Family, friends, previous employers, neighbors, people you meet at events.

► **DO EMPLOYERS ONLY VALUE PAID OR "FOR CREDIT" INTERNSHIPS?** No!

Employers value **EXPERIENCE**, not whether a student has earned credit, was paid or was a volunteer. Experience that demonstrates you have: knowledge of a professional working environment, excellent work ethic that can be verified by a former supervisor, and potential and aptitude for a position based on your experience **INSIDE** and **OUTSIDE** of the classroom.

► **CAN I DEVELOP AN INTERNSHIP AND SEEK ACADEMIC CREDIT IF IT IS NOT LISTED ON THE BRYANT CAREER CONNECTION?** YES!

Contact our office for details or attend an Orientation to Academic Internships to learn about how you can self-create an Academic Internship.
