

Graduate Assistantship Guidelines

The following are guidelines for a graduate assistantship position:

1. Priority application deadlines for graduate assistantships are April 15 for fall and September 15 for spring. Only applicants who have completed their application by the priority application date will be considered for an assistantship position.
2. Graduate assistants must maintain full-time status during the semester in which they hold an assistantship. Graduate assistants will not be allowed to register for more than four 3-credit courses in the MBA program or five 3-credit courses in the MPAC program (graduate or undergraduate) during the semester in which they hold an assistantship position. Tuition remission will not cover any undergraduate courses or courses taken during the summer semester.
3. Graduate assistantships may be awarded for the fall, spring and/or summer semesters however, continuation in a graduate assistantship position for a subsequent semester is not guaranteed and is based on performance and subject to departmental approval. In addition, a student must remain in good academic standing to retain the assistantship.
4. Graduate assistants are required to work for an academic department in exchange for partial tuition remission. Assistantships begin and end in accordance with dates as posted on the academic calendar.
5. Recipients of an assistantship award will be notified by the Graduate School office.
6. The total value of the graduate assistantship award will be included as gross income to the recipient. Recipients of an assistantship award will be required to complete and return an Employee Data Card, W-4 form and Employment Eligibility Verification (I-9) form to the Human Resources office prior to receiving the award. At the end of the year, recipients will receive a W-2 form stating the value of the assistantship for tax purposes.

Please retain a copy of these guidelines for your records.
