

TRANSFER OF CREDIT REQUEST

It is the expectation of the Graduate School that graduate students will complete all degree requirements at Bryant University.

Students who have completed course work prior to matriculation, or current students who wish to enroll in a graduate course at an institution other than Bryant, may transfer up to two courses to their degree program. Transfer credits are limited to those taken within the last three years with a grade of 'B' or better from an institution accredited by AACSB – International. Students are responsible for providing the Graduate School with a course description of the course they wish to take and an official transcript from the college or university which they attended.
