

## How to Enroll your Spouse/Domestic Partner:

If you have a spouse or domestic partner that would like to participate in the Bryant Good Cent\$ Wellness Program, you will need to provide them with your Bryant Employee ID number and add them to your Bryant Good Cent\$ Wellness account at <https://rewards.hwainstitute.com/Bryant>.

Once logged in, click the “Add Request” button on the right-hand side of the screen and fill out the form to send your spouse or domestic partner an e-mail invitation. Please use their valid e-mail address (which must be different from yours), and choose “subscriber to spouse” in the association field.

**Spouses and Domestic Partners:** Once you receive the validation e-mail, click the accept link and follow the directions outlined in the e-mail. On the registration page, please select “NA-Spouse” in the pay status field and click on the “I do not have a scan card” button. Once you are registered in the program, please click on the “Pending Requests” link on the right hand-side to confirm the association with your spouse or domestic partner.

**Please note: Spouses and domestic partners will not receive the H.I.T.S. card.**
