

# Network Registration

This one time process allows access to Bryant University's Network

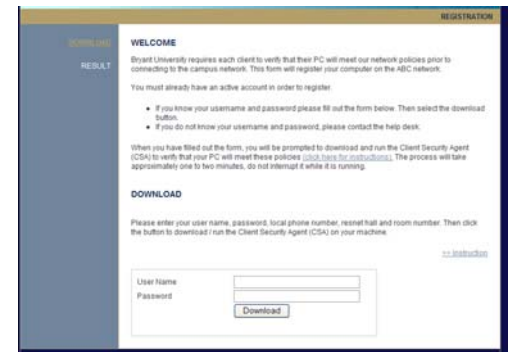

## 1. Open Internet Browser

- Open Internet Explorer or Mozilla Firefox
- Check **Accept** the terms of use
- Click **Next**
- Next to **Bryant University Clients**
- Click **Start**

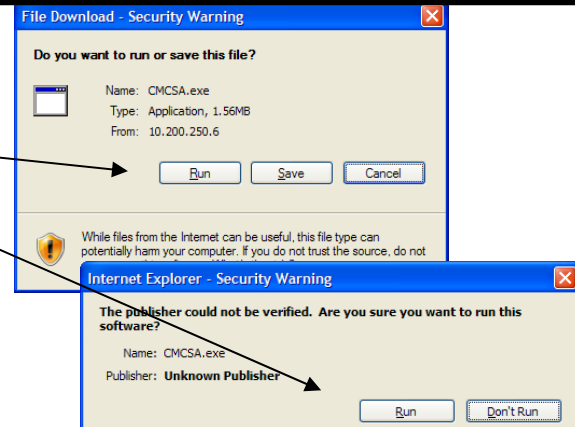

## 2. System Check

- Enter your Bryant *email* username and password and click **Login**.  
Ex. username: jsmith  
password: 123456
- Click **Download**

## 3. Run Registration Client

- For Internet Explorer users:
  - Click **Run**
  - When prompted, click **Run** again
- For Mozilla Firefox users:
  - Click **Save** (default save location is to the desktop)
  - On your desktop, Double click the CMCSA.exe icon

## 4. Scanning your Laptop

- Click **Next**
- The Bradford Client will scan your laptop. Do not close the window at this time
- Click **Finish**
- It can take several minutes to gain access to the Bryant internet once you have registered. A reboot is recommended.
