## *Campus Opening Dates*

### **First Year Students**

Saturday, September 3, 2011

Time: 8am

### **Returning Students**

Sunday, September 4, 2011 &

Monday, September 5, 2011

Time: 9am

### **Early Arrival to Campus**

Over the past few years we have had numerous requests to arrive early to campus, but unfortunately, we are unable to grant those requests for a few very important reasons. Bryant residence halls are a bustling and dynamic place all summer long and to ensure that rooms are prepared and inspected properly, we cannot allow students to move in before their designated date.

Students and families will need to make arrangements to arrive on or after their assigned date of campus arrival.

Students required by the University to be on campus prior to fall opening for athletic training, on campus work, or leadership training must have approval of Athletics or their Faculty/Staff supervisor, as well as the Office of Residence Life. All University policies will be enforced in addition to the policies issued below by the Vice President for Student Affairs.

#### Additional Policies for Early Arrival Students:

- No alcohol is permitted on campus, even in the rooms of students of legal drinking age.
  - Guests are not permitted on campus.
  - Parking is not permitted on the “strip” between Hall 14, 15, & 16 or in the lot behind the Bryant Center to facilitate student move-in.
  - No student other than those approved for Early Arrival are allowed in the residence halls.
  - Students may be required to live in temporary spaces until their fall room is ready for occupancy.
  - Student rooms will be entered unannounced during this period to complete necessary inspections, inventory, and maintenance tasks.
  - Early arrival students are expected to keep their room/suite/ townhouse neat and presentable for their roommates who will arrive during official hall opening.
  - Students found violating policies during this period may have the privilege of early arrival revoked and be removed from campus until fall opening.
-
