

Student Fees for Study Abroad Programs 2020-2021

Study Abroad participants are charged the same rates that a traditional Bryant University student would be assessed if they were studying on campus **unless the total charge at the host institution abroad exceeds the comparable charges at Bryant University, at which time, they will also be responsible for covering the cost difference between their program and Bryant's costs.** In mid July, students are billed by Bryant University directly and are expected to make the payment to Bryant on the traditional billing due dates (August for the fall semester and January for the spring semester.).

Application Fees:

- IAU College: \$85 paid by the student directly to IAU
- All other application deposits **paid by Bryant.**

Deposit / Confirmation Fees:

- Upon acceptance, the confirmation deposit will be **paid by Bryant University.**

Security/Refundable Deposits – Paid By Student for TEAN & API

- Students participating in a program through The Education Abroad Network (TEAN) and Academic Programs International (API) will be responsible for their own security deposit. TEAN participants' deposit will be refunded, less any charges incurred during their semester abroad, at the beginning of the semester following the conclusion of their program. API participants' deposits will be refunded less the \$95 standard fee that API keeps, and any other charges incurred during their semester abroad, at the beginning of the semester following the conclusion of their program.

Below are the per semester costs for study abroad participants:

Tuition	\$22, 983.00
Room	\$4,794.50 - \$6,265.00 *
Meal Plan	\$2,846.50 - \$3,307.50
Study Abroad Fee	\$500.00
Additional Fees	\$3,000-\$5,000+ <i>** (Not charged by Bryant. Varies based on program location)</i>

***The University will pay up to \$6,265.00 in housing costs to the host institution. If a student chooses and receives a housing option that exceeds that cost, the student will be billed and is responsible for paying the difference.**

Tuition: The tuition rate is the cost of a traditional semester of study at Bryant University. If the tuition at the host institution exceeds the cost of Bryant's tuition, the student is required to pay the difference.

Room: The room rate is dependent upon the type of housing that a study abroad participant receives. If the participant is housed in a room that is typical of the Bryant University on-campus **dorm-style** living, the fee is **\$4,794.50 (double room) or \$6,265.00 (single room).** However, in certain circumstances, participants are given the option to live in a facility that is typical of the Bryant University on-campus **townhouse-style** living and those students are charged at the higher rate of **\$5,832.00 (double) or \$6,265.00 (single).** **Additionally, certain programs offer housing options that are not comparable to on-campus living at Bryant. In these situations, a student is responsible to pay the difference between a single town-house rate and the cost for the housing by the host institution.** Additionally, there may be services offered by the host institution that is not typical of Bryant University on-campus living. In these situations, the host institution may assess a surcharge to cover additional services that are offered with the housing (i.e. telephone, internet, bed linens, cleaning services, etc.).

Please be advised that any surcharge will be added to your Bryant University bill. These surcharges may not be on your initial bill since the host institution does not notify Bryant University until after the semester has begun. You will be notified via your Bryant University email address that an updated Electronic Bill (E-Bill) is ready for viewing.

Meal Plan: Depending on the program, a student may receive meals (e.g. home-stay accommodation), have the option to purchase meals on their own (i.e. self-catered), or participate in a meal program at the university at which they are attending abroad. If they participate in the meal program abroad, or are receiving meals through their housing option, a fee of **\$2,846.50 - \$3,307.50** will be assessed to their Bryant University account, depending on the number of meals they are receiving abroad. Since the meal plan is optional in some locations, and is not typical at most institutions, additional fees do not apply to every student. Meal plan charges may not be on your initial billing statement.

Study Abroad Fee: All Bryant students studying abroad will be assessed a one-time fee of \$500.00. This fee ensures that students still have access to course registration, library services, Laptop Central, Blackboard, etc.

Additional Fees: Additional fees are any supplemental costs of the program, and not billed by Bryant. These fees are estimates based on fees charged to past participants. They are not actual amounts and are subject to change. Such costs **may** include but are not limited to: Round-trip airfare, VISA processing fee, cell phones, internet usage in accommodations, gym memberships, transportation in/around, etc.

Withdrawal Policy: In case of cancellation, the student is subject to the refund policy of the program provider **and should clarify with them about their policies.** For more information regarding the refund policy, please contact the program provider directly.

All study abroad billing inquiries should be addressed to the Bryant University Bursar's Office at (401) 232-6030.
