

## MANAGEMENT: TEAM AND PROJECT MANAGEMENT

BUSINESS,  
MANAGEMENT,  
AND MARKETING  
**NO. 4**

College Factual

### WHY STUDY **TEAM AND PROJECT MANAGEMENT** AT BRYANT?

*Our leading-edge interdisciplinary program prepares you to manage teams and projects in innovative business environments.*

- *Gain first-hand knowledge of end-to-end project management by applying key concepts and processes to a simulated project.*
- *Engage with expert educators and mentors with expertise in diverse industries who will help you **develop critical and analytical thinking abilities** required to interpret key project metrics.*
- *Rigorous coursework will also **prepare you for the Certified Associate in Project Management (CAPM®) exam**, a prestigious professional project management certification.*

**MIKAYLA MURPHY '20**

Assistant Project Manager  
New England Cooling Towers, Inc.  
Greater Boston area

**MAJOR:** Team and Project Management

**MINOR:** Communication

**HOMETOWN:** Westford, MA

**PATH:** Project Management Intern, New England Cooling Towers; studied abroad at the University of the Sunshine Coast in Queensland, Australia; Volunteer, Special Olympics; Managerial Intern, Homewood Suites by Hilton; assisted the Katie Brown Education Program with social media and traditional marketing efforts through Management Principles and Practices.

*“The Project Management program at Bryant is truly one of a kind. It helped prepare me for anything and everything that my career has thrown at me and I find myself constantly using what I learned in the classroom. My professors were incredibly knowledgeable and always willing to help students however they could.”*

## INSPIRING FACULTY

Our distinguished Team and Project Management faculty are award-winning educators and dedicated mentors, writers, and consultants to major companies who share with you their management expertise in areas from decision-making to re-shoring jobs. They combine the latest theory with direct experience in leading teams and projects. These caring and supportive professors get to know you as an individual in our close-knit, student-centered community.

### THE TEAM AND PROJECT MANAGEMENT FACULTY INCLUDES:

- Members of Beta Gamma Sigma, Omicron Delta Kappa, and the Decision Sciences Institute
- An instructor recognized by the Decision Science Institute for exemplary practices in teaching case studies
- A widely published expert on patient satisfaction and hospital performance
- Professors with industry experience working with GE Asia, Johnson & Johnson, the U.S. Coast Guard, and the aerospace and OEM industries
- A key contributor to the replacement of an electronic medical records system and the merging of the functions of a large pharmaceutical company with those of a major retailer

“Today, everything is run as projects...and everyone is set up in teams at work. Construction companies, health care systems, and every company in Silicon Valley all use project management. Individuals with team and project management skills are in increasingly high demand.”

**DIYA DAS, Ph.D.**

Associate Dean of the College of Business

### Among Our Distinguished Faculty:

**ROBERT P. MASSOUD, MBA, PMP**

Lecturer of Management

- 35 years of experience as a Project and Operations Manager in various industries.
- Past President of the Rhode Island Chapter of Project Managers.
- 10 years of teaching Project Management, including 3 years as a full-time lecturer at Bryant.
- Recipient of the 2020 Excellence in Teaching Award for Bryant's College of Business.

**KRISTEN SAUNDERS '20**

Technical Staffing Recruiter  
TEKsystems  
Stamford, CT

**HOMETOWN:** Whately, MA

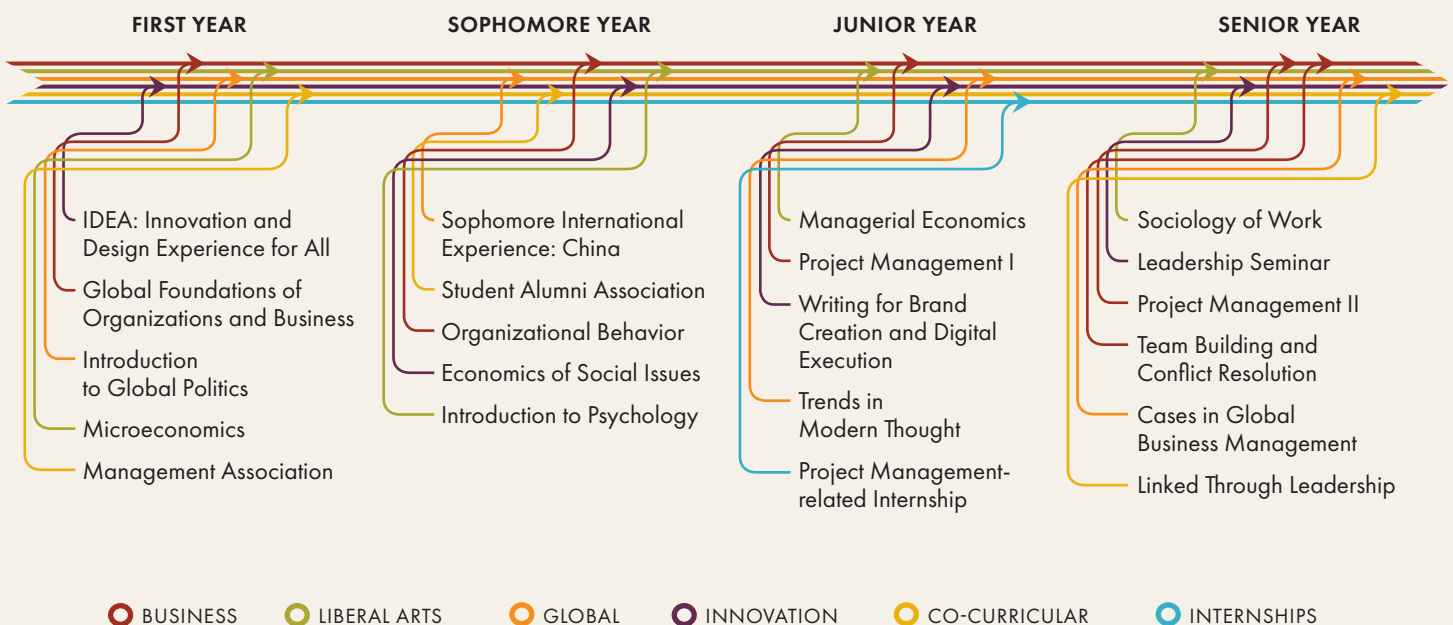

**PATH:** Mentor, Big Brothers Big Sisters; General member, Her Campus; Secretary, Panhellenic Council; Public Relations Chair, Health Education Awareness Leaders (HEAL); Sisterhood Chair, Vice President of Membership, Delta Zeta Sorority.

“Bryant’s incredible Project Management program has opened so many doors for me! The professors are focused on setting up their students for success in the professional world. Post-graduation, I received a full scholarship for the on-line Six Sigma Yellow Belt Certification Program which I could not have done without my Project Management background!”

## DESIGNED FOR YOUR SUCCESS

Bryant's innovative educational experience is focused on one central objective – preparing you for success. Bryant is recognized nationally for integrating business and the arts and sciences to provide students with a powerful combination of **highly marketable skills**. With a strong emphasis on **experiential learning**, your Bryant education will include opportunities for internships, consulting, participation in national conferences and competitions, social entrepreneurship, and study abroad. Bryant's **inspiring and purposeful student life** is designed to enhance your learning and real-world credentials.

Here's an abbreviated sample path to success:

### JOHN ELCOCK '20

Project Coordinator  
Tremont Construction Management  
Boston, MA

**MAJOR:** Management; Concentration in Team and Project Management

**MINOR:** Communications

**HOMETOWN:** Brookline, MA

**PATH:** President and Captain, Bryant Soccer Club; paired with a nonprofit organization on a service project that integrated management theories with management practice through Management 200; engaged in project management simulations through Project Management I and II; multiple internships, including a Bryant faculty-sponsored internship with Tremont Construction Management that led to a full-time position after college.

*“The Team and Project Management concentration at Bryant University helped me make a seamless transition into my career. The curriculum and teaching methods ensured that we were ideal candidates for the professional world even when the job market was crippled due to a global pandemic. I cannot thank my professors enough for their guidance.”*
