Note 1 - The summary comes from a multiple of sources and follows the "knowledge rate" protocols outlined by the National Association of Colleges and Employer (NACE) - The primary methods are an on-line and paper survey to members of the graduating cohort, feedback from employers working, and data from the National Student Clearinghouse

Notes 2, 3 – Salary and survey question come from graduates' responses data (app 50% of respondents);

Cohort Loan Default Rates

Graduation Year Cohort	2010	2011	2012	2013	2014	2015	2016
